SUMMARY

Like many other rural area, Elgin is faced with an ever increasing drug problem, as these illegal substances filter out from the urban areas. Small departments forced to cover large geographical areas are hard pressed to combat this problem, especially among our juvenile population.

After researching the effectiveness in other jurisdictions, the need for a police dog to assist in coping with drug trafficking became evident. The utilization of such an animal would be used by Municipal, State and County Law Enforcement Agencies in Baker, Union, and Wallowa Counties.

Rural areas find it increasingly more difficult to find quality enforcement without assistance. Matching funds of \$4,500 from the city with our limited resources shows dedication on the part of Elgin to support this project.

Program Description

I. Project Background

One of the major problems facing local law enforcement authorities in rural areas is obtaining the training and technical assistance needed to combat crime, particularly violent, drug-related crime, juvenile delinquency and crime prevention.

Although Elgin is a small community with a population of only 1701, we are faced with an increasing drug problem as shown by the following incident:

On March 5, 1985 the Elgin Police Department, F.B.I., Oregon State Police, and Union County Sheriff's Office completed one of the biggest drug arrests in 11 northwest states and seized over two million dollars of finished drugs from this methamphetamine lab. The complete search of the lab took seven men two days to complete due to the vast area to be searched. The trained police dog with one man would have completed the search in less than one day.

The drug problem in our area is getting worse due to the law enforcement pressure in the larger cities, causing the drug traffic to filter out to the rural areas. With the assistance of a trained dog it will help us control the problem.

Our tax base is less than \$147,000 and for us to come up with the \$4,500 matching fund presents a hardship, but with the assistance of the people and the City it is being accomplished.

II. Project Objectives and Activities

The objective of this grant is to obtain funding to purchase a dog trained in drug detection tracking and, to a lesser extent, assault. The duration of the grant would be self-limiting as funds are requested only to cover one time expenditures. These expenses consist of the purchase of the animal, equipment, kennel construction, plus one year's expense for food and veterinary care.

The intent is to purchase a dog already trained in police work and to train one handler to maximize the dog's efficiency.

Plans include offering demonstrations of the dog's capabilities and credibility to schools, service organizations, law enforcement, news media, and other interested parties.

The dog's services would then be made available as needed throughout a four county area. The City of Elgin will charge only direct expense for this service.

Detailed records of the dog's usage and performance will be maintained by the handler through the City of Elgin Police Department. A study will be made of apprehensions and arrests along with callouts which were directly aided by the use of a canine officer compared to prior successes in similar situations.

The City of Elgin has a police force which consists of the Chief of Police and three officers. In addition to regular duty, the police department also monitors and is responsible for the dispatching ambulance and referral of all emergency calls.

III. Performance Measures

A tentative timeline for completion of the project is:
(S=start C=Complete X=evaluate)

<u>Activity</u>	APR	MAY	JUN	JUL	AUG	SEP
Purchase Animal	S-C					
Handler/animal Training	S----	C				
Demonstration to D.A. Office		S-----	C			
Demonstration to County Courts and Schools in 4 county area		S-----	X-----	X---	C	
Check school lockers for possible drug possession					S-----	

Detailed records will be maintained to exhibit effectiveness of the dog's usage and performance.

Comparisons will be made to records prior to the dog's acquisition.

IV. Technical Assistance

A portion of the funds as detailed in the budget will be used for the formal training of the handler.

RESOLUTION 1986 - 14

RESOLUTION OF APPROVAL AND FUNDS FOR DOG BLOCK GRANT

WHEREAS: The City of Elgin recognizes we have a drug and crime problem, and

WHEREAS: A comprehensive study by the police department has been made, and shows a trained police dog would increase arrests and deter the criminal and drug traffic in the area, and

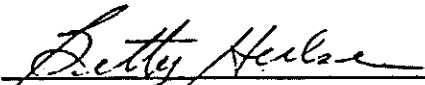

WHEREAS: The Elgin Police Department is applying for a block grant which requires matching funds to purchase a trained police dog, and

WHEREAS: Donations will be actively sought for the \$4,500 matching monies;

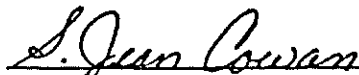

NOWHEREFORE BE IT RESOLVED: The Elgin City Council shall make the necessary monies available to cover any difference that might occur.

PASSED AND ADOPTED this 9th day of December, 1986

RE: City of Elgin Justice Department grant

TO WHOM IT MAY CONCERN:

The City of Elgin, Oregon, is requesting a Justice Dept. grant for a drug sniffing dog.

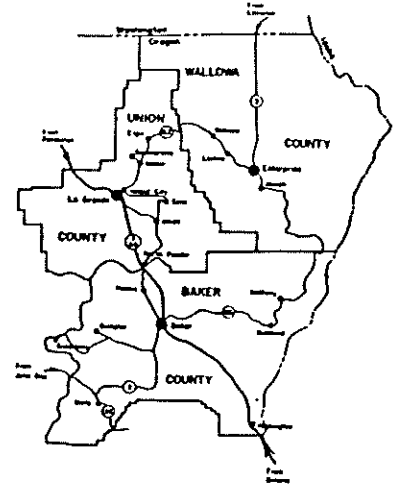

Elgin has had some extensive drug problems and has taken positive steps to control them. They have not eliminated all drug activity in the area and feel a trained dog would help their efforts considerably. Their application for the grant will give you more details about the current drug problems.

I am in support of Elgin's efforts to control drugs and strongly recommend that they receive the grant they are requesting, thus enabling them to get the dog.

Sincerely,

ATTACHMENT A
CERTIFIED ASSURANCES

1. The applicant assures that, following the first fiscal year covered by a grant award and each fiscal year funded thereafter, it will submit to the Department of Justice a performance report concerning the activities carried out and an assessment of their impact.
2. The applicant assures that federal block grant funds made available under the Justice Assistance Act will not be used to supplant state or local funds, but will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for criminal justice activities.
3. The applicant assures that fund accounting, auditing, monitoring, and such evaluation procedures as may be necessary to keep such records as the Department of Justice shall prescribe will be provided to assure fiscal control, proper management, and efficient disbursement of funds received under the Act.
4. The applicant assures that it shall maintain such data and information and submit such reports, in such form, at such times, and containing such information as the Department of Justice may require.
5. The applicant certifies that the programs contained in its application meet all the requirements, that all the information is correct, that there has been appropriate coordination with affected agencies; and that the applicant will comply with all provisions of the Justice Assistance Act of 1984 and all other applicable federal laws.
6. The applicant assures that it will comply, and all its contractors will comply, with the non-discrimination requirements of the Justice Assistance Act; Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975; and the Department of Justice Non-Discrimination Regulations 28 CFR Part 42, Subparts C, D, E, and G.
7. The applicant assures that in the event a federal or state court, or federal or state administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office of Civil Rights Compliance (OCRC) of the Office of Justice Programs.
8. The applicant assures that it will comply, and all its subgrantees and contractors will comply, with the provisions of the Office of Justice Programs "Financial and Administrative Guide for Grants," M 7100.1C.

(Continued)

9. The applicant assures that it will comply with federal laws and regulations applicable to federal assistance programs and with the provisions of 28 CFR applicable to grants and cooperative agreements including Part II, Applicability of Office of Management and Budget Circulars; Part 18, Administrative Review Procedure; Part 20, Criminal Justice Information Systems; Part 22, Confidentiality of Identifiable Research and Statistical Information; Part 23, Criminal Intelligence Systems Operating Policies; Part 30, Intergovernmental Review of Department of Justice Programs and Activities; Part 42, Nondiscrimination Equal Employment Opportunity Policies and Procedures; Part 61, Procedures for Implementing the National Environmental Policy Act; and Part 63, Floodplain Management and Wetland Protection Procedures.

Certification

I certify that I have read and reviewed the above assurances and the applicant will comply with all provisions of the Justice Assistance Act of 1984 and all other applicable federal laws.
